We would like to draw your attention to the fact that your child should follow education up until his/her departure date.

If this is not possible, you can request on the exemption from the obligation to register your child in connection with the following education abroad as described in the Leerplichtwet Act 1969, Art. 5c at the Bureau Leerplicht where your child is registered in the GBA. You receive this exemption decision.

- 1. We would like to draw your attention to the legal obligation to report the departure of your child within 5 days of your child's departure to the Municipal Administration (GBA) where your child is enrolled. You will receive the de-registration form from the GBA of which we need a copy to ensure a careful exit from the school**
- 2. If your child is moving to a school within the Netherlands, please provide a copy of the acceptance letter into the new school.**
