

SCHOOL FEE AGREEMENT – International School Almere
FINANCIAL OBLIGATIONS ON ENROLMENT 2023-2024

The International School Almere requires a school fee. This fee is not voluntary. The purpose of the fee is to pay for facilities and services, which are not typical of Dutch schools and are therefore not covered by the Government subsidy. These facilities are necessary to guarantee the quality of education. Examples include smaller classes, specialized teachers and staff, additional language support and school events and projects.

We depend on your support and financial contributions in order to create a school, which fulfils our aim to give your child an outstanding and fulfilling educational experience.

We ask you to sign this agreement form to indicate acceptance of the terms and conditions stated in this document:

School Fee Regulations:

- By signing the school fee agreement, the signatory undertakes to pay school fees for the child on this form in the current school year. This agreement is entered into for the duration of one year unless terminated in writing by either party prior to the end of the school year.
- Signing and returning the school fee agreement is part of the admissions' / re-enrolment procedure and needs to be in place for the admissions process to be complete.
